June 10, 2008

Dear Sir or Madam:

The staff of the California Air Resources Board (ARB) invites you to participate in a public workshop to discuss topics concerning the development of staff's proposal for a Low Carbon Fuel Standard (LCFS). The Lifecycle Analysis Working Group will be providing updates and seeking comments from stakeholders. Agenda and other materials for the workshop will be posted to the LCFS website (http://www.arb.ca.gov/fuels/lcfs/lcfs_meetings.htm) approximately one week prior to the workshop. The date, time and place of the workshop are shown below:

Date: Monday, June 30th, 2008 (rescheduled from June 23rd)
Time: 11:00 a.m. to 5:00 p.m.
Location: Cal/EPA Headquarters Building
Byron Sher Auditorium
1001 I Street
Sacramento, California 95814

You may participate in the workshop via teleconference by dialing toll-free 1 (888) 955-8940, giving the participant code: 31004, and leader name, John Courtis. International callers can participate via teleconference by calling the toll number 1 (210) 234-0004, giving the participant code: 31004, and leader name, John Courtis. This workshop will also be webcast. You may access the webcast at ARB's homepage, <http://www.arb.ca.gov>. We will also accept comments and questions sent via email to onair@arb.ca.gov.

Directions to Cal/EPA Headquarters and public transit information can be found at the California Environmental Protection Agency's website at: <http://www.calepa.ca.gov/epabldg/location.htm>.

If you have a disability-related accommodation need for this workshop, please go to <http://www.arb.ca.gov/html/ada/ada.htm> for assistance or contact the ADA Coordinator at (916) 323-4916. If you are a person who needs assistance in a language other than English, please go to <http://inside.arb.ca.gov/as/eo/languageaccess.htm> or contact the Bilingual Coordinator at (916) 324-5049.

The energy challenge facing California is real. Every Californian needs to take immediate action to reduce energy consumption. For a list of simple ways you can reduce demand and cut your energy costs, see our website: <http://www.arb.ca.gov>.
